SASC 1101	Campus Technology	O			0		
Total					12		

COMMENTS AND NOTES:

Program Description	The Community Paramedic program is a one-semester, 12-credit hour, certificate of proficiency level program that provides additional training to licensed paramedics in the following areas: public health, health prevention, patient advocacy, triage, disease management, mental health, and management of ongoing illness or injury.
Program Requirements	12 TOTAL program credit hours; Application to the program is required; Must be a licensed paramedic for two (2) years prior to application for Community Paramedic.
Link to Program Webpage	https://www.southark.edu/academics/health-science/emergency-medical-services
Career Opportunities	Graduates may find entry-level positions in EMS agencies, health care organizations or in other areas of public health.
Transfer Paths and Requirements	SouthArk offers an AAS in Paramedic, which is only twelve (12) credit hours above the Paramedic TC course requirements. See Program Director or health science advisor for more information.

REMEDATION REQUIREMENTS:

Current course placement requirements and applicable remediation can be found in the college catalog.

I understand that when seeking a credential, I may be required to enroll in remediation / co-requisite courses as a result of my test scores in compliance with Arkansas Law, Act 1052, which may take additional semesters for successful completion.
